Reviews for Mya's Work:

“ My 1st book from this author. She put it down. Not one dull moment throughout the entire book. No real serious cussing or fighting drama. Just good old-fashioned love and happiness. Jeezy and Trent got what they deserved. I had a good time reading this and you will too.

Ondria Bacon (*Fumbled Your Heart*)

“ This book touched my soul! The scripture was on point and hit me every time! To read Ellie's and Jeremiah's relationships with God, their families, and each other was beautiful and refreshing. I shed tears every time I read a scripture that hit home. Looking forward to Bliss' or Monet's story next! 😊 This story put so much into perspective. A really good love story!
